1. Message from the WKO President

Dear WKO Branch Chiefs and Contacts,

Thank you everyone for your continued cooperation in WKO's activities.

The year is about to come to an end. The temperature has dropped in Japan, and even putting on a Dogi before practice feels chilly. Meanwhile, the delayed autumn foliage, likely due to global warming, is coloring the streets with vibrant reds and yellows, enhancing the festive atmosphere as Christmas songs fill the air.

How are you all spending this time of the year? As we reflect on the past year, I hope you can find moments of warmth, joy, and peace amidst the busyness of the season, spending meaningful time with your family and friends.

This year was another year of great progress for the WKO. In the summer, the Dream Festival 2024 International Championships recorded the largest number in history of 3,755 participants. On the same day, a premier stage of the Fullcontact Karate world, the 1st Karate Champion of Champions, was launched with fans that filled the venue. We shared a new perspective on the scale of Fullcontact Karate and the sense of the top.

In addition, the year following the 13th World Championship marked the first year of a four-year cycle for our activities. It was remarkable and reassuring to witness the emergence of strong young fighters at the regional selection tournaments worldwide, who will lead the next generation.

On the other hand, it was deeply saddening to hear the news of the passing of our senior Shihans one after another from the beginning of this year, such as Shihan Masahiko Yamada of Japan, Shihan Miranda Hoyos of Bolivia, and Shihan Arpad Kalmar of Hungary. However, seeing the strong and determined efforts to continue their legacy in each country and branch has truly been a source of inspiration.

How was 2024 for you?

Monthly Newsletter

World Karate Organization

In our Fullcontact Karate activities, the WFKO (World Full Contact Karate Organization) recently announced information for the 1st World Fullcontact Karate Championship, which will be held in Ariake, Tokyo on May 31st and June 1st next year. As this championship also serves as the 8th World Karate Championship in Weight Categories for the WKO, let us proceed with the preparations, fulfilling our responsibilities as the coordinating organization of WFKO, with a strong sense of ownership and initiative.

Regional selection tournaments for the WFKO Championship have been proceeding worldwide. Starting with Japan, the qualifiers have completed in Europe, South Pacific, Asia, Central Asia, South America, Central America, and the Middle East, leaving with North America and Africa. With the final qualifier in Africa scheduled for late January, the lineup of competitors on the global stage of Fullcontact Karate's grand festival is finally coming together. Unfortunately, we must ask for the patience of the Russian Karatekas a little longer.

In November, I visited Asia and Europe for their selections. Both were outstanding tournaments, the Asia tournament organized by Shihan Fumiaki Nagashima, Branch Chief in Thailand, and the Europe tournament organized by Shihan Koen Spitaels, Branch Chief of Belgium. During my stay, I received tremendous support from the Shihans and all those involved, for which I am deeply grateful. Thank you.

In addition, the Japanese delegation visited South and Central America, where they reported witnessing the great efforts put into organizing the superb tournaments.

I would like to express my gratitude and respect to all those who supported in organizing each regional selection tournament.

The 1st World Full-Contact Karate Championship is a unified competition where various styles and organizations come together. As the organizer, WFKO is both a sporting organization and an international federation. I hope the competitors will fully demonstrate the skills and techniques they have learned from their respective practical training organizations at this competition.

As preparations for this tournament move forward, I imagine that WKO branch chiefs, contacts, athletes, and others may sense an unfamiliar feeling. The diversity created by numerous styles and organizations is a significant cultural characteristic of Fullcontact Karate, and the uniqueness of each group adds vibrancy to it. At the same time, the gradual rise of national federations, going beyond the boundaries of styles and organizations, will start to feel more familiar at this championship. The intersection of the bond in individual styles and organizations, alongside the growing bond in countries and regions, may give rise to a fresh feeling of synchronization. As we prepare for this tournament, let us fine-tune this fresh sense and nurture the movement toward unity in the new world of Fullcontact Karate.

We must value the needs of this era and, as "All WKO," unite with a spirit of service to ensure the success of this tournament. To the competitors, let us form strong solidarity, recognize each other's presence on the world stage, and compete through rigorous training, striving together so that WKO can dominate the top positions in this tournament.

In closing, alongside devastating natural disasters and ongoing international conflicts, we are witnessing frequent acts of violent crime hidden behind the convenience of a highly information-driven society, symbolized by the internet. In consequence, our international community lacks stability, and human society is confronted with difficulties that expose our inner weaknesses and vulnerabilities.

The WKO will continue to contribute to world peace through the global promotion of Karate, a martial art in which the stronger we become, the more kind we become.

I sincerely hope for the earliest resolution of the difficult international conflicts and that the world will soon be filled with smiles.

③. Various Forms

The WKO Office would like Branch Chiefs and Contacts to use the designated form when they contact us. We have:

- Order and Payment Form (for payment of grading fees, annual fees, and membership fees)
- WKO Official Invitation Letter Form (for inviting Japanese instructors)
- Request Form for Invitation Letter (for those who need a Visa to enter Japan)
- Application Form for a Candidate of New Branch Chief & Contact

Although we understand that some Branches/Countries have their own method, the forms helped us to do administrative work efficiently, and we appreciate your kind understanding.

④. Invitation of Japanese Instructors

The WKO office receives numerous invitations for Japanese instructors every year. Standard procedure calls for the Official Invitation Letter to be sent to the WKO Office with the necessary information filled in. The invitation becomes official only when the letter arrives at the WKO Office. Please refrain from direct negotiations with Japanese instructors, for it will only lead to problems in the future. Finally, we would like for all to understand that an agreement based on direct negotiations will not be considered an official invitation.

⑤. Acceptance of Students from Overseas Branches

Every year, numerous students from overseas branches visit Japan for training. When a student wishes to visit Japan for training, standard procedure calls for the Branch Chief or Contact (whom

the student belongs to) to contact the WKO Office of the ideal time frame, dojo, and detailed information (name, dan/kyu, age, etc.) of the student. The WKO Office will confirm the content of the request with the Branch Chief/Contact of the dojo in Japan. In a case where an overseas student goes forth with his/her training in Japan without consulting the WKO Office, it would delay the response time of the WKO Office if an emergency happened to occur. To assure the safety of the students, we ask for everyone's cooperation in this matter.

⑥. Centralization of communication between Overseas Branches

It is required that communication (related to events within the organization) between Overseas Branches and Japanese Branch Chiefs and contacts be exchanged through the WKO Office. Translation of documents (Japanese⇔English) will also be managed by the WKO Office. To avoid any unnecessary problems and confusion, we ask for everyone's cooperation in the centralization of communication between overseas branches.
